Or, if someone would like a less fancy place: There's Bozeman

Other than playing w/horses, the Bozeman area has Yellowstone Nat'l
Park just a few miles away and numerous hot springs, hiking trails,
white-water rafting, fly-fishing, and on and on.

Each of the motels that I've listed in the first group is about 7 miles
from Circle L Ranch and about 8 miles from the airport. Access is very
easy along a frontage road that goes along the Interstate, I 90. The
motels (with the exception of the Lehrkind Mansion and the Backpackers'
Hostel) are all in the general vicinity of I90 and 7th Ave. Lehrkind
Mansion and Backpackers' Hostel are just a couple of miles further and
are in the heart of Bozeman. Lisa highly recommended the Microtel Inn
& Suites. She says that if we ask they usually give a group rate for
eventers at their place for about \$50 per night.
