Are you tired of the same old approach to earning those necessary CPD's? Then join us out at the farm for a fun and fresh approach to continuing education!

- **Toadhall Therapy Centre** is located in Sandton Johannesburg.
- Our team of a Clinical Psychologist and Horse Specialist, who are EAGALA certified facilitators, will lead you through a variety of **horse-based activities** designed to deliver information on ethical standards, practices and applications.
- Join us for an opportunity to internalize the learning through practical application instead of hearing and reading about ethics one more time!
- Attendance log will be kept and a Certificate of Completion will be provided upon completion of course
- This is not a horse-riding facility. All activities are **completed on the ground**. So no prior horse experience is necessary.
