#### TRANSPORTATION FROM AIRPORT

**Train:** This is the best way for transportation. The train station is directly beneath the airport and goes directly to Leuven. It takes 16 minutes and there are two trains every hour. Train ticket one way is 5.4 €. Once at the train station in Leuven, most lodging is within short walking distance, or there are cabs which on average will cost 10€

**Cab:** From the airport it will cost about 50€ and you can get a cab for up to 4 persons.

**Car Rental:** All major car rental companies are available at the Brussels airport.

#### CONFERENCE CENTER

Provinciehuis Leuven

Provincieplein 1

3010 Leuven

Belgium

**PARKING:** Due to very limited parking options at the Provinciehuis, we highly recommend that you park in the public underground parking area located at the train station which is near the Provinciehuis. There is good signage to locate this large public parking space, a standard fee is required and from there it is only a 5 minute walk to the Provinciehaus conference center.
